**2009**

Production Unit

Set up own production unit in industrial hub of NCR in Greater Noida

**2014 - s**

Established Regional Office in Kolkata

**2015**

Established regional office in Mumbai.

**2019**

Established regional office in Ranchi

**2020**

Established regional office in Chennai

**2021**

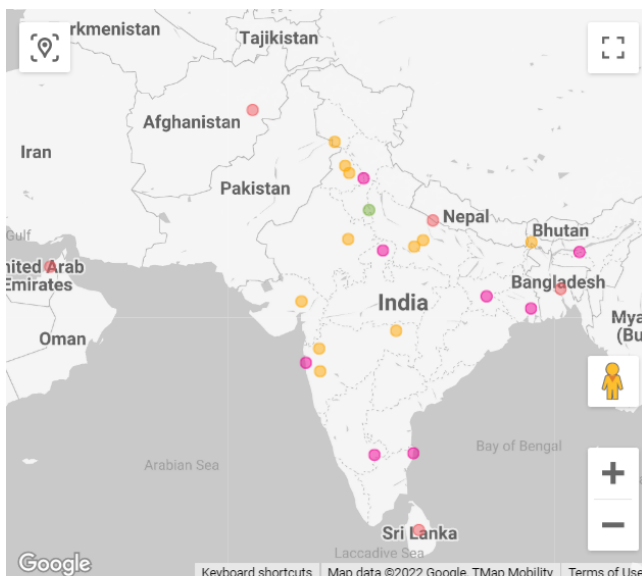

Enhanced capabilities on advanced software solutions, factory automation, vision system & conveyors

Products that meet the needs of the time

DCS & Labeling

AutoID solutions

## OUR PRESENCE

### Branch Office:

Mumbai  
Kolkata  
Ranchi  
DeraBassi  
Chennai

### Dealer Network

Chennai  
Bangalore  
Nagpur  
Nashik  
Pune  
Jammu  
Guwahati  
Siliguri  
Ludhiana  
Jalandhar  
Lucknow  
Kanpur

### Exporting to Countries

Kenya  
Sri Lanka  
Mauritius  
Nepal  
Dubai  
Bangladesh  
Afghanistan

Headquarter New Delhi ProductionUnit: Noida,U.P.

## HTS RFID SYSTEM

# Why Us ?

Dedicated Support team providing quick online and on-site support

In house conveyor, software development and vision application team.

Highly experienced solution architects and implementation team.

23+ Years of Expertise in delivering AIDC Solutions which address key pain points of our customers.

Dash Provides a one stop solution for all AIDC requirements of our customers from hardware, software to consumables and from barcoding, RFID to Line Automation.

## Industries we serve
